TRAVEL RESTRICTIONS RESCINDED ON ROCK CREEK ROAD

In accordance with 7-14-2127 MCA and due to decreasing water levels, the Granite County Board of Commissioners is rescinding previous recreational traffic restrictions on a portion of the Rock Creek Road between Mile Marker 15 through Mile Marker 36.

The travel restrictions hereby rescinded now allow for regular recreational travel on Rock Creek Road. However, extreme caution continues to be advised for public safety on the Rock Creek Road and others due to potential high water and rapidly changing conditions.

The public is advised that travel for recreational purposes could again be temporarily prohibited at any time.

Dated this 15th day of June, 2011.
